Sir,

I have the honor to state that the Indigenous Hospital tentatively established for one year at Kulgal in the Closepett Sub Taluk is reported to have worked satisfactorily. Situated as it is in a central part of the Sub Taluk it is reported to afford every convenience to the surrounding villagers who resort to it for treatment. On the recommendation of the Divisional Asst Closepett Sub Division the matter was brought before the District Board which has resolved that the institution be made permanent.

I therefore request that you will be so good as to obtain Sanction of Government for it
